

**IMPORTANT INFORMATION
NEW MECHANIZED COLLECTIONS IN 2021
ROLLING BINS FOR WASTE**

From January 1, 2021, a new contractor will be responsible for waste collection, recycling and compost. Indeed, after collecting recyclable materials and mechanized compost, it is the turn of the waste collection to become so.

Owners who already have a bin (black or green) can keep it. For those who do not have bins for waste, the Municipality can provide you with one at the **cost of \$75.**

To reserve your bin, please contact the Municipal office by phone at 819 838-4334 or by email at barnston-ouest@xittel.ca.

Note that just like the recycling and compost bins, each bin the Municipality provides is numbered and registered. It will remain the property of the civic address and not of the owner.

If you have any questions, please contact us.

Thank you for your understanding and collaboration.
