

## **Fire prevention visits 2023**

Following the Fire Risk Coverage Plan of the MRC de Coaticook, fire prevention visits will be carried out on the territory of the Municipality in the coming months.

Fire prevention visits will be made by the Régie incendie Memphrémagog Est, which includes the Municipality.

In 2023, the addresses located on the following roads will be visited.

1. Route 141;
2. Haskell Road;
3. Langlois Road;
4. Routhier Road;
5. Way's Mills Road.

Do not hesitate to contact Mr. Christian Létourneau, Head of Operations and Fire Prevention of the Régie incendie Memphrémagog Est, by phone at 819 838-5877, ext. 209 or by email at [prevention@regieincendieest.com](mailto:prevention@regieincendieest.com).

Thank you for cooperating with the fire department.
